

<La Bella Figura> *Life is Beautiful*

La Bella Figura

Italians have for centuries immersed themselves in a lifestyle that is in tune with the enjoyment of life and well-being. Nowhere is this better expressed than in the ancient lands of Tuscany, where the rhythm of life, the food, the arts and the beauty of nature are all harmoniously fused to make you feel exuberant and happy to be alive.

Take time out to reward yourself. With our experience and love of everything Italian, our commitment is to immerse you in a different pace of life, appreciate the finer things Italy has to offer, indulge you in resting your soul and refreshing the way you look and feel.

Escape to a slower pace of life. Surround yourself with beauty and rediscover the pleasures of life.

La Bella Figura invites you to come and stay in a beautiful private villa nestled in the Tuscan countryside outside the historical city of Lucca described by Forbes Magazine as *'the second most idyllic place to live in Europe' (Forbes 2009)*.

Indulge your passion for life. With our intimate knowledge of the culture, the secluded towns, breathtaking panoramas and local dining experiences join us for an authentic and memorable journey into Italian life.

Enrich your life, emerge refreshed
